

# Black Friday

Buy! Buy! Buy! Quick! Hurry! On sale! Cheap! Cheap! Cheap!

Buy more...yes...more and more! ...It's BLACK FRIDAY!!!!

趕快買啦！黑色星期五到了！

Hmmm... Black Friday? That sounds scary.

Is Black Friday like Halloween?

Well, no, but it can be a bit scary when people get too crazy.

Black Friday --- in America --- is the Friday after Thanksgiving ... at the end of November.

But now many places around the world have a Black Friday.

在美國，黑色星期五指的是感恩節之後的星期五。

On that Friday, lots of stores and shops have big sales.

Some people start buying presents for Christmas on Black Friday.

At many, many shops and stores...and also online... you can find good deals and cheap prices.

在那一天很多商店會大減價，大家也會開始採買耶誕節禮物。

But... it's getting a bit too crazy.

In some places in America, people sometimes fight in stores to grab the last cheap toy or whatever... it's really very silly and not very kind.

可是有的地方，有人為了搶最便宜的東西而打架，實在有點誇張，也很不友善。

Everyone likes to save money.

Everyone likes to find a good sale.

But pushing and yelling and fighting... that's just too much!

Some Black Friday shoppers go a little crazy and start acting like wild animals!

大家都喜歡省錢，但為了省錢變得像野獸一樣，就太瘋狂了吧！
